

Apply Your Employability Skills At Work

Employability Skills 2000+ are the critical skills you need in the workplace—whether you are self-employed or working for others. Employability Skills 2000+ include communication, problem solving, positive attitudes and behaviours, adaptability, working with others, and science, technology and mathematics skills.

Apply Your Employability Skills Elsewhere In Your Life

Employability Skills 2000+ can also be applied beyond the workplace in your daily and personal activities.

Develop Your Employability Skills

You can develop your Employability Skills 2000+ at home, at school, at work and in the community. Family, friends, teachers, neighbours, employers, co-workers, government, business and industry can all play a part in helping you build these skills.

Looking for Ways to Improve Your Own Employability Skills?

The Community Career Centre Website Can Help You!

The Community Career Centre Website offers a variety of resources designed to help you:

- become familiar with the world of work;
- identify and reflect on your skills;
- connect with employers in your field of interest; and
- learn from the experiences others have had in the workplace.

For more information on the Community Career Centre visit the website below or contact:
